Here's what some of our happy couples and their families have had to say...

"I have no words to express how thankful we are or how happy with how our special day went. You were all wonderful, working hard in the run up and on the day to make everything as we wanted it, always making me feel calmer when I panicked (which saved Rob a job!). Everyone was so impressed and we're so glad we had our wedding with you."

Rachel & Rob Watts,
Millennium Gallery, January 2016

"I just wanted to say thank you so much for all of your hard work. The whole day was just incredible and everyone has been telling me how much they enjoyed it. The food in particular has had a lot of compliments, and so many people mentioned how stunning the venue was. So thank you once again for getting it all organised for us and for ensuring the day ran so smoothly and seamlessly."

Millennium Gallery, September 2015
