Weddings and Civil Ceremonies

Weddings and civil ceremonies are increasingly a specialty for us. Couples who spend their big day with Museums Sheffield do so for many reasons – great locations, distinctive buildings with real soul, friendly staff. But often it's because their friends have recommended us – and that's something we take real pride in.

Corporate Events

Sheffield is a creative city with a rich history. We can help give your event some Sheffield flavour, whether that's through the cutlery and metalwork which made it world famous, or the sleek, contemporary feel of the Millennium Gallery.

We regularly host corporate events, seminars, trade and craft fairs, small conferences and meetings.

Christmas parties

If you're the person tasked with organising this year's Christmas party, it's never too early to start looking for a venue! Every year we host large parties which your group can join for added atmosphere, or we'll create a private party just for you.
