Fun for Under 5s

Our littlest visitors are some of our biggest fans. Bring them along for our fun-packed Fridays Under 5s sessions or let them explore the museum and find new favourites.

Fridays Under 5s

Every Friday during term time
10am – 12.30pm
Weston Park Museum
£2 suggested donation, just turn up

What will be in store when you join us for a morning of hands-on, creative fun? Come and find us in the museum and let our very youngest visitors explore their senses, get creative, invent and sometimes make a little bit of a mess (don't worry, you can leave the cleaning up to us).

Little Inventors

First Wednesday of each month from 5 June
10.30am – 12.30pm
Millennium Gallery
£2 suggested donation, just turn up

Little ones love to invent! Let our spaces inspire them to create the most amazing models and designs. They may just be our inventors of the future!
